

INDIVIDUAL NOMINATION FORM

**Thank you for preparing a nomination for the Kudos Awards.
To complete your application we have outlined the information required
for the judging process.**

Please make sure that you fill out all of the required fields in this pdf and provide us with the supporting documentation described in the checklist below.

- Nominee details, including: name, title, current employer/department/ address, home address, phone number, email address.
- Details of person nominating (if different from Nominee) including: name, title, current employer/department/ address (if applicable), home address, phone number, email address.
- Field of Expertise of the nominee (e.g., general science, mathematics, physics, medicine, sociology, agriculture, engineering, etc.)
- Education/qualifications of candidate, including: educational institution(s), location of the institution(s), degree(s) and year(s) obtained.
- Full professional history of nominee, including: organisations, positions held, responsibilities and time period each position was held.
- Description of nominee's achievements. One page -a maximum of 600 words - should be dedicated to a description of scientist's achievements relevant to this award. A further two pages can be used to list other research and contributions relevant to the award, including evidence of peer review and the candidate's track record in communicating their research to a wider audience.
- List of nominee's ten (10) most significant publications or material relevant to the award being sought. Include a copy of the most important publication or material on the list. If, because of the early stage in the career of the applicant, the scientist has less than ten relevant publications/materials, list those obtained so far.
- Submit contact details for two personal referees who would be prepared to offer letters of support, including for each: name, title, current employer/department/ address (if applicable), home address, phone number, email address.
